## RESOLUTIONS

The following resolutions were offered and placed in the Committee on Rules.

### HOUSE RESOLUTION 141

Offered by Representative Soto:

WHEREAS, The availability of current, updated information regarding lobbyists registered in accordance with the Lobbyist Registration Act (25 ILCS 170/) is vital to the members of the General Assembly and the citizens of Illinois; and

WHEREAS, The most convenient means of accessing that information is the Secretary of State's website, but the Secretary presently updates that information only twice a year; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the Secretary of State to more frequently update the lobbyist registration list on the Secretary's website; and be it further

RESOLVED, That the Secretary is urged to include additional accurate and timely information concerning lobbyists, including without limitation e-mail addresses, on the Secretary's website; and be it further

RESOLVED, That the Secretary is urged to make responsible and reasonable efforts to ensure that all lobbyist information on the Secretary's website is accurate and up to date; and be it further

RESOLVED, That the Secretary is encouraged to make recommendations to the General Assembly if legislative action is deemed necessary; and be it further

RESOLVED, That a copy of this resolution be transmitted to the Secretary of State.

### HOUSE RESOLUTION 143

Offered by Representative Hoffman:

WHEREAS, Amtrak is a vital part of the Illinois economy and the Bush Administration's recent proposal to eliminate federal operating dollars for Amtrak is a threat to the State of Illinois; and

WHEREAS, The Administration's expectation that the State of Illinois can find additional dollars to replace disappearing federal dollars is short-sighted and unrealistic, as the burden on the State of Illinois would be severe and well beyond the means of state government to meet; and

WHEREAS, Every developed nation in the world invests in a national passenger rail system and the perpetual lack of funding from the United States Congress has left our passenger rail system far behind what our citizens deserve; and

WHEREAS, The purpose of a federal government is to fund and implement those interstate programs that state governments are not equipped to administer well, and interstate passenger rail is a proper program for the federal government to administer; and

WHEREAS, Amtrak is a major Illinois employer, with more than 2000 employees earning in the aggregate more than \$83 million in FY 2004; and

WHEREAS, Over 2.3 million riders traveled through Chicago's Union Station on Amtrak in FY 2004, with more than 1.9 million riders from outside of Illinois arriving in Chicago; and

WHEREAS, These 1.9 million out-of-state Amtrak riders arriving into Union Station every year inject much-needed tourism dollars into our State's economy; and

WHEREAS, The opening of the Abraham Lincoln Presidential Library in April of 2005, four blocks from the Amtrak station, will be another prime opportunity to bring tourism dollars into Illinois; and

WHEREAS, The total Illinois Amtrak ridership in FY 2004 was over 3,000,000, breaking all previous records and rising rapidly; and

WHEREAS, Amtrak currently serves Illinois with 50 daily trains, with daily long distance service from Chicago to Oakland, Denver, Salt Lake City, Cleveland, Pittsburgh, Washington D.C., Memphis, New Orleans, St. Paul, Seattle, Portland, Buffalo, Boston, Kansas City, Los Angeles, St. Louis, Dallas, San Antonio, Milwaukee, Philadelphia, and New York City; and

WHEREAS, Amtrak currently serves almost 30 communities in Illinois (Alton, Bloomington-Normal, Carbondale, Carlinville, Centralia, Champaign-Urbana, Chicago, Du Quoin, Dwight, Effingham,

Galesburg, Gilman, Glenview, Homewood, Joliet, Kankakee, Kewanee, Lincoln, Macomb, Mattoon, Mendota, Naperville, Plano, Pontiac, Princeton, Quincy, Rantoul, Springfield, and Summit), all of which would be at major risk of losing passenger rail service should the President's proposal be implemented by the Congress; and

WHEREAS, The State of Illinois currently receives far fewer spending dollars from the federal government than our taxpayers send to Washington, making Illinois a donor state; and

WHEREAS, Amtrak is one of the relatively few federal programs that disproportionately benefits Illinois, making Amtrak a great investment for the State of Illinois; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we call on the United States Congress to invest, not divest in a national passenger rail system with Chicago's Union Station as a major hub; and be it further

RESOLVED, That we call on the Illinois congressional delegation to lead the effort in a bipartisan manner to protect Illinois' unequivocal interest in strong, fully-funded passenger rail service; and be it further

RESOLVED, That copies of this resolution be sent to each member of the Illinois congressional delegation.

#### HOUSE RESOLUTION 144

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that the House of Representatives recommends that the Governor name an Illinois Technology Czar to coordinate State government information technology, create a better State information technology infrastructure, and recommend to the Governor and to the General Assembly important technological changes within State government; and be it further

RESOLVED, That a suitable copy of this resolution be delivered to the Governor.

WHEREAS, The Department of Public Health would best be suited to develop a model community coalition protocol to combat methamphetamine abuse; and

WHEREAS, Many counties in northern Illinois have not experienced the devastation that methamphetamine abuse has wrought upon the counties of central and southern Illinois; and

WHEREAS, These northern Illinois counties may not be aware of the benefits of community-based efforts to combat methamphetamine abuse; and

WHEREAS, A statewide model of community coalition efforts to combat methamphetamine abuse will provide those counties with the knowledge and wherewithal to combat methamphetamine abuse more effectively; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the Department of Public Health to develop a model community coalition effort to combat methamphetamine abuse; and be it further

HOUSE RESOLUTION 146

Offered by Representative Schock:

WHEREAS, The House of Representatives recognizes the value of summits conducted by the Attorney General on issues related to methamphetamine; and

WHEREAS, The House recognizes that these summits are beneficial in law enforcement efforts to prosecute cases involving the illegal manufacture and possession of methamphetamine and to interdict methamphetamine and to inform the public as to the prevalence and dangers of methamphetamine manufacture and abuse; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the Attorney General to continue holding methamphetamine summits throughout the State; and be it further

WHEREAS, Children of methamphetamine addicts are at great risk of abuse and neglect and their physical health is at risk; and

WHEREAS, A safe environment for these children away from addictive parents must be found; and

WHEREAS, The Department of Children and Family Services is charged with the responsibility of protecting children found to be neglected, abused, or dependent; and

WHEREAS, Department of Children and Family Services workers are often the first persons to encounter methamphetamine manufacturing sites and they need to be protected from the dangers of methamphetamine manufacturing sites and methamphetamine addicts; and

WHEREAS, Specified protocols are necessary so that Department employees recognize how to identify sites used to manufacture methamphetamine and how to identify parents who are methamphetamine addicts so as to place these children of methamphetamine addicts in a safe environment; and

WHEREAS, The Juvenile Court Act of 1987 contains procedures by which abused and neglected minors may be removed from parental custody and placed under the protection of the Department or in another suitable home; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the Department of Children and Family Services to adopt internal protocols so that Department employees will be able to recognize how to identify sites used to manufacture methamphetamine and how to identify parents who are methamphetamine addicts and children exposed to methamphetamine manufacture and use; and be it further

RESOLVED, That a copy of this resolution be presented to the Director of Children and Family Services.

HOUSE RESOLUTION 148

Offered by Representative Munson:

WHEREAS, The House of Representatives understands the dangers that exposure to the manufacture of methamphetamine and the use of that substance by the parents of children pose to the physical and mental well-being of those children as well as to others who are in a supervisory position to those children; and

WHEREAS, Public school personnel are mandated reporters under the Abused and Neglected Child Reporting Act; and

WHEREAS, The State Board of Education has power to supervise all the public schools in the State; and  
 WHEREAS, Illinois law recognizes that teachers stand in loco parentis to a child during his or her attendance at school; and

WHEREAS, The adoption of internal protocols by the State Board of Education for employees of public schools that will aid these employees in recognizing sites in which methamphetamine is being manufactured and in recognizing how to identify methamphetamine addicts and children of methamphetamine addicts may aid in their protection and in the protection of children exposed to methamphetamine or the use of methamphetamine by their parents and may assist in the removal of these children from that hazardous environment; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the State Board of Education to adopt protocols for employees of public schools that will aid these employees in recognizing sites in which methamphetamine is being manufactured and in recognizing how to identify methamphetamine addicts and children of methamphetamine addicts; and be it further

RESOLVED, That a copy of this resolution be presented to the chairperson of the State Board of Education.
